Abstract

This is a test document.

Acknowledgements

Thanks to all the little people who make me look tall.

Chapter 1

Introduction

Chapter 2

Background

2.1 An overview of Android Development

Chapter 3

Current System

Chapter 4

Motivation and Objective

Chapter 5

Approach

Chapter 6

Methodology

Chapter 7

Learning and recommendations

Chapter 8

Conclusion

8.1 Getting Ready

Get all the parts that I need. I can throw in a whole pile of terms like preparation, methodology, forethought, and analysis as examples for me to use in the future.

8.2 Next Step

Do it!

Of course, you have to have pictures to show how you did it to make people understand things better.
